Bioweapons Expert Dr. Francis Boyle: We Must Indict Fauci and the Creators of COVID-19

International Law Professor, Dr. Francis Boyle, author of the Biological Weapons Anti-Terrorism Act of 1989, the American implementing legislation for the 1972 Biological Weapons Convention, testified on Sept. 11, 2021 to the 9/11 Lawyers Committee. Boyle emphasized that to put an end to the mad science that created COVID-19, as well as the mad science that is now engineering future Potential Pandemic Pathogens, we must begin to lobby local and state prosecutors to file criminal charges against Anthony Fauci, Ralph Baric, Peter Dazak, Shi Shingli, et. al. for mass murder and crimes against humanity.

As Boyle points out:

> "… what I want to outline here today is the mechanism and means whereby we can get everyone involved in the Covid-19 pandemic prosecuted for murder and conspiracy to commit murder and then second, everyone involved in these Frankenshots can be prosecuted for murder and conspiracy to commit murder, on a state and local basis all over this country.…We know that the whole Federal government is in the tank there for Biden. You can't believe anything they are telling you. It's just been a pile of lies from the get-go, even under Trump. But [what] we do have here in the United States are states attorneys, district attorneys, attorney's general, county prosecutors, etc. Last time I looked into this there were over 400 of these local prosecutors and I am recommending here today a strategy for the common ordinary everyday citizens who live in their territorial jurisdictions to go talk to these local prosecutors and demand the prosecution of the people involved…"
